

Downtown Parks and Public Spaces Vision Statement

Seattle's downtown parks and public spaces are a system of vibrant, convivial, people-filled gathering spaces reflecting the city's diversity, history, urban character, and cultural and environmental values. The parks should have individual personalities, yet be connected together into an integrated network of open spaces and recreational places that are well-cared for and well-loved. They should be fun, beautiful, restorative and memorable places to spend time, through all four seasons, day and night
